Juniors

This year's Juniors radiated pride and spirit for our school. Their big moment was winning the spirit contest over the Seniors. Congratulations Juniors!

Prom decorations and plans were heavily hashed over by the Junior Prom committee. They all worked long and tedious hours making flowers and novelties, making this Prom a spectacular event.

Many Juniors have already started plans for the future by talking to the counselors and choosing colleges. This is a big step in a Junior life and the confusion of choice is very tiring.

We hope the class of 1972 maintain their well being and progress in spirit and knowledge.

Sophomores

The Sophomores took on a happy medium this year. They competed as adults, and responsibilities were put heavily on their shoulders. This is the time when students are no longer considered as "little tikes," but being recognized by the upper classmen and society.

This was a busy school year for the Sophomores. They built a float, sponsored dances, ordered class rings, and found out that you have to work to stay on top of things.

The class of 1973 is an energetic class of new ideas and values. We sincerely hope they will continue on a positive course of knowledge.

Freshmen

Our freshmen grew up quite a bit this year. They learned to play the role of the underclassman and yet responsibilities were set on them.

For the first time they were allowed to attend high school functions. With much enthusiasm our frivolous freshmen crowded the dance floors and made a most attentive audience for any occasion.

This is just the beginning for these few young people. In later years we hope they will maintain their well being and progress in spirit.

Congratulations to the class of 1974 for accomplishing a year of trials.

Pioneers Have Victorious Season

Starting the season with four straight victories the pioneers achieved a ranking of ninth in the State and number one in the U. S. 10 Conference. But their hopes for a 9 and 0 season were shattered in the last eleven seconds of their fifth game. Recovering from this heartbreakin loss, the pioneers then crushed Farwell 34 to 0. With their momentum restored, the pioneers thundered into their seventh game only to be beaten in the last min-

ute of the game by a few bad breaks and two quick scores. On the down and out, but refusing to give up, the team was once again defeated, but again by less than one touchdown. Finally with only one touchdown. Finally with only one game remaining the Pioneers prepared themselves with the thought of ending the season with a win. They did so with a crushing victory over a team that had beaten them decisively the year before.

Varsity Pioneers Show

Getting off to a slow start the Pioneers, again, as in football, demonstrated that they would not give up. Coming back from a losing streak the Pioneers began to win game after game. Finally as the season came to a close, the team had only been defeated seven times. As a result, they ended the season with a ten and seven overall record, the best in many years. In addition the Pioneers won the rank of third in the conference.
